

Application for Firefighter I Academy

You may contact the Fire Technology Department at (707) 836-2906 for information

Due Date: June 1, 2010 for Fall 2010 Academies

The selection process for students attempting to enter the Firefighter I Academy Program

will be as follows:

Students who meet the prerequisite coursework requirements and the academic standards

set by the program will be placed into a common group. Students admitted to the program

will be randomly selected from the common group and notified. Alternates for the program will be selected by the same method. Additional information about this process

may be found by accessing the department's web site, consulting with the program

director or by talking with a counselor. **You must return this completed form to Fire Tech. Dept., 5743 Skylane Blvd., Windsor, CA 95492, Attn: Linda M.**
