Required equipment and ammunition:

1. A quality and functional semi-automatic pistol or a quality and functional double action revolver. The only weapon calibers allowed in this course will be: .38, .357, 9mm, .40, and .45. 5-shot revolvers are not recommended for this course of fire. **There will be no .22 or .32 caliber weapons allowed.**
2. At least three magazines for your semi-auto or at least two speed-loaders for your revolver.
3. Magazine or speed-loader pouches for your belt.
4. Eye and ear protection are provided on the range. However, supplemental ear plugs and safety glasses are encouraged.
5. Suitable range attire – laced athletic shoes or boots required; no sandals or slip on shoes allowed. No shorts.
6. Pens and notepaper.
7. A quality holster capable of allowing you to re-holster with one hand and possessing minimally one safety feature such as a thumb snap pinch retention device or similar. Please bring your holster with you the first session so that it can be inspected.
8. We cannot allow any of the following: shoulder holsters, ankle holsters, cross draw holsters, fanny packs, holsters not specifically designed for your gun, holsters with an antiquated flap type retention device, holsters without some form of approved retention device strap or snap.
9. 450 rounds of certified lead free and frangible ammunition. We recommend that you contact one of the below suggested vendors for availability and pricing. No other form of leaded ammunition will be allowed on the range. **NO HOME LOADED** ammunition will be allowed on the range.
10. Make sure that your firearm and equipment are clean and functioning. We will not have the ability to work on your guns or equipment during this course. If your gun has performance deficiencies you may be asked to drop the class and take it another time.
11. Please **DO NOT** bring your gun into the classroom until instructed, but you will need it available on the first day of class.
12. Range safety violations will be cause for immediate dismissal from this course. This will be at the Range Instructors discretion.
13. A gun cleaning kit and supplies are required for the first day of class.

If you have any questions about this course please contact Charisse Arnold at the Training Center (707)836-2912 or via email: carnold@santarosa.edu.
